

Company Matching FAQs

Company matching donations are an excellent way to maximize contributions to the Hillsdale High School Foundation. In fact, depending on the company, employer-matching gifts can double or even triple the original donor's gift. In the 2013-10214 fundraising year, matching gifts totaled \$21,000!!

How do I know if my employer matches my donation?

You will find a partial list of companies with matching programs below. However, it is always best to check with your Human Resources department for specific information on whether they have a matching program and how to request a matching donation.

My employer matches donations; what information must I provide?

Each employer has different requirements and the instructions are often described on their match request form. Please check with your Human Resources department. The match request form often consists of 2 parts, one which must be completed by the employee and the other which must be completed by HHSF.

What is HHSF's tax-ID or EIN?

HHSF's EIN is 87-0800728.

I have completed the match-request form of my employer. Where do I send it?

If you have completed the employee section of the match request form you may send it to: HHSF 63 Bovet Road, Ste. 218 San Mateo, CA 94403

Can I process the match request online?

Employer donation matching programs vary by employer, but many companies do allow you to request a matching donation online. Please contact your Human Resources department for more information.

How long does it take for the employer match to be sent to HHSF?

It often takes at least a month, and in some cases up to 6 months, for HHSF to

receive the funds from company matching programs. For this reason, we highly recommend you to start the process as soon as you have made the original donation.

Will I get a verification that my employer's match has been received?

Yes. HHSF will send you one email when we receive your employer donation matching request, and another when we receive the matching funds.

What if I still have questions about company matching?

We are happy to help you! Send an email to matching@hillsdalehsfoundation.org.
