

The Hillsdale Foundation and Why It Matters

The Hillsdale Foundation provides the financial support for the outstanding and successful Small Learning Communities (SLCs) structure that benefits every student at Hillsdale High School. The Foundation raises money by asking for donations from current families, alumni and local businesses.

What the Foundation supports: (1) Advisory classes and their college/life prep curriculum (2) Teacher development, collaboration and training, (3) Technology needs for the modern classroom, (4) Funding for individual departments, faculty, classrooms, and the Hillsdale Booster Groups, among many other programs.

Hillsdale families support the Foundation through direct donations to our annual campaign, known as the **Family Partnership Program (FPP)**. Donations to the FPP are our primary source of funding. Please join in Hillsdale's 'culture of giving' to ensure the continued success of this unique and coveted academic environment which provides a rich high school experience for all our students. Our annual goal is 100% participation from every family to guarantee full funding of Hillsdale's SLC curriculum and other top priorities.
