

HILLSDALE HIGH SCHOOL FOUNDATION

To whom it may concern:

Hillsdale High School is one of a handful of schools in the nation, and the only one on the Peninsula, to implement the Small Learning Communities (SLC) model, which combines the best of both small and large high schools. Our students are thriving, but **this highly successful and unique model requires extra staffing, which the school district does not fund.**

The Hillsdale High School Foundation is unique in its mission to close this funding gap, and we're reaching out to you now to ask that you support our students and our unique school model by becoming a Business/Corporate Sponsor today. Not only will your sponsorship demonstrate your commitment to the stellar education that Hillsdale High School provides but, by marketing your business through sponsorship with the Hillsdale High School Foundation, you will reach an audience of over 5,000 parents, community members, alumni, and educators who regularly attend our school events and visit our campus.

Please review the attached Business/Corporate Sponsorship Benefits flyer for a description of the marketing opportunities available to you. If you have any questions, you can reach out to me at execdirector@hillsdalehsfoundation.org. You will also find attached to this email a Business/Corporate Sponsorship Commitment Form for you to complete, should you decide to join our wonderful community of sponsors. **We ask that you submit this form and a check ([or make your payment online](#)) by December 15, 2023, so we can include you as a sponsor in all of our print materials.**

Thank you for your consideration of this request, and I look forward to hearing from you soon!

Best regards,

Katherine Goodman
Executive Director, Hillsdale High School Foundation
