

FREQUENTLY ASKED QUESTIONS

What is a matching gift?

Corporate Matching gifts are donations an employer makes to match its employees' charitable contributions. Employers matching gifts are often dollar for dollar, but some companies will give double or even triple the original donation.

How do I request a matching gift?

Requesting a matching gift is normally a five-minute process, which must be initiated by the donor. You can do this by filling out and submitting a paper form provided by your employer or through an electronic submission process. We will receive a request to verify the donation.

I donated a few months ago. Can I still apply for a matching gift?

Yes! It's not too late to apply for a matching gift! Many companies allow employees to submit match requests for 1 year following the date of the donation.
